

To all the valued clients of Parkin Security Consultants,

After more than 30 years in the background screening industry, the time has come for me to retire and spend some time relaxing and — I hope —doing a lot of traveling.

Today I would like to share the exciting news that on August 1, 2014, we completed the successful acquisition of Parkin Security Consultants by Advanced Reporting, LLC.

Parkin Security Consultants will continue to operate as an independent brand focused on providing you with the same superior background screening services you've all come to expect. We selected Advanced Reporting as a partner because they are committed to the same high-quality screening services you have come to expect from us over the years. With similar philosophies and a strong commitment to quality, these two companies, by partnering, are sure to be a great fit for you and each other.

I deeply appreciate all of your business and trust over these years, and I am confident that you will remain in great hands.

Happy hiring and Best Wishes,
